PUNAHOU PUTS IT OVER KAM CLUB; COLLEGIANS BLANK MCKINLEY MEN

Cadets Try Hard But Blues Break Through for Touchdown and Two Goals—Hawaii Has Picnic Pounding High School to Pieces—McKinley Third Trims Puns

BATTLING every inch of the way the Punahou eleven slipped the alibi book into the hands of the Kamehameha crew Saturday afternoon on the Kam field taking cadets into a large crowd of cheering fans. Both teams put up a strong fight but the headwork of the Blues was just a little better than the bulldog formation efforts of the home boys and when Fred Peterson applied the leather to the leather in the second period and the pigskin soared over the crossbar the Kams knew they were beaten.

Pogue shot into the limelight in the third when after a fumble by Coleman the Blues battled to the ten yard and then the five yard line. Pogue took the pass from the next scrim and slid over the lowered backs of four Kam men for a touch. It was a difficult angle and a fluky breeze but Peterson negotiated the kick.

Started Fine
The Kams put up a great start making gains by hard long runs. Then they switched the bet and took to fancy stuff and lost themselves. The Blues on the other hand were content to break through the line for small gains with occasional punts. Kee Fook Zane made a third touch down in the third period which did not count. Coleman dropped the ball in a punt formation and Zane whipped it under his wing and sailed down a clear field. But the whistle had blown as Coleman was tackled and Zane came back disappointed from his hike.

Peterson and Pogue were the stars for the winners while Coleman and Kanuu and Kukona showed well for the losers. The crowd was on tiptoes through the entire session.

The Teams

Mahikoa	q. Coleman
Pogue	1. h. Groves
Baldwin	r. h. Dawson
Peterson	1. l. Aaron

Officials—Referee, Captain Britton; umpire, Ross; head linesman, Sergeant Zimmerman; timer, Youtz and Marsh.

Scoring—Field goal from drop kick, Peterson; touchdown, Pogue; goal from touchdown, Peterson.

In a weakened condition from the losses of the previous week McKinley high school proved a poor match for the College of Hawaii. The score of the game was 48-0 for the college.

The quarters of the game were eight minutes long, but the college had scored three touchdowns and three field goals, and were in McKinley's 10 yard line when the whistle blew for the end of the first quarter. The college backfield was irresistible and the college lines found little difficulty in stopping high school's feeble plunges. None of Nua's forward passes were successful all going astray of the ends or being intercepted by Brash. From the very start of the game Brash, Davis and Pammel carried the ball through McKinley's lines, and Davis' swift low forward passes were usually found by Brash or Maruchi while behind McKinley's line.

Put Up Fight
McKinley put up a splendid fight. The second game of the midwest season of the city was a poorly earned victory for McKinley, score being 12-3. The lone score of the Pun-Blues was due to a beautiful drop kick by Williams. The scores were made by McKinley after a fumble by Punahou, when Capt. Leong picked up the ball and ran 50 yards for a touchdown, and another tally came on an intercepted pass by Kunibuu, who planted the ball away off to one side back of the line. The first tally for the high school came in the first half, and the other was in the third quarter.

Much Fumbling
The fumbles that Punahou made on punts were numerous, as compared with the regular work done by the McKinley backs in receiving the ball. Girdler was consistent in his dropping of the ball. The backs were not working well, and Jerome Hughes made most of their yardage through the center of the McKinley line. Williams was a constant offender at allowing his interference to get ahead of him.

With the Pun-Buffs and McKinley thirds going strong, the Midwest League race is taking on an interesting aspect. It looks as though the Pun-Buffs or the Pun-Blues were the logical winners of the championship, although they have not made brilliant showings so far. They have lost only one game this season, and tied the high school boys in the game that the Buffs played with the Makiki midgets.

OPENING GAME OF NEW SERIES SNATCHED BY ST. LOUIS SENIOR MEN

By a close score of five to four the seniors of the St. Louis college day scholars' basketball league defeated the sophomores in the initial game of the new series. It was a tight battle all the way. The sophomores were held scoreless in the first half of play, but Asch's basket and Cunningham's foul goal gave the winners three points. In the third period determination was the thing. The sophomores made a foul goal while holding their opponents safe. The last period saw the seniors on their last defense. They just barely stemmed defeat.

MAKIKI GIANTS VICTORS

Co. M, 25th Infantry, were the victims of "Cowboy" Johnson's Makiki Giants on Sunday afternoon, going down by a score of 10 to 9. The soldiers had the Giants licked to a frazzle in the opening innings, but in the seventh Johnson's men woke up and took the game. Sunday next the Makiki men will take on the Pacifics and the following Sunday will meet the Royal Hawaiian Garage nine.

MIZUHO BEAT PACIFICS.

The fast Mizuhos defeated the Pacifics by a score of 14 to 9 Sunday afternoon at Anala Park. Tsukamoto pitched and Seri worked behind the bat for the winners. The Pacifics were

GOTCH IS SERIOUSLY ILL IN CHI HOSPITAL

CHICAGO, Ill., Oct. 22.—Frank Gotch, for years world's champion wrestler, is seriously ill in a local hospital. Accompanied by Mrs. Gotch, the famous mat artist, arrived in this city a few days ago from Humboldt, Iowa, on his way to Hot Springs, Arkansas. He was taken ill suddenly and rushed to the hospital. According to the attending physicians he is suffering from an obscure kidney ailment. While his condition is said to be critical, hope is held out for recovery.

WHAT'S THE USE?

Philander Phish says:—
If you please
Some folks
You displease
Others
And if
You try
To please all

You fail to
Please any
So, what's the Use?
Bo, what's the Use?

The squirrels at Moiliili Park had a regular feast Saturday night. There were two wrestling bouts pulled off.

Nobody knows who got the coin that was to have been tossed for the seventh game of the world's series.

Cheers! We've got a new office boy. The one we had last week took a bath once, but the doctor made him put it back.

Lady school teacher who is a friend of ours bemoaned the fact that men don't seem to get interested in botany. Quite true. None of them ever get beyond the clover leaf cocktail stage.

Prunella writes in to ask why men wear bow ties when bow ties are so ugly. That's easy. You know why Napoleon wore red suspenders? Well, that's not the reason.

Coach Midkiff says that football will make a man out of you. After watching that Punahou-Kamehameha game we'll admit that football will make a man out of what's left of you.

Headline says: "Kamehameha line broke often" had nothing on the clothes line, at least. It doesn't even wait till Saturday to do its breaking.

Well, the Kams made a great showing against Punahou Saturday, but listen, Angel Child, there's no show column in the records.

Begins to look like the Punahou team is slumping. Yep! Slumping like rent or the price of eggs.

IRONWORKERS NOSE OUT CATTON-NEILL SQUAD

The Honolulu Iron Workers' baseball team defeated the Catton-Neill & Co.'s nine by a score of 13 runs to 10 yesterday afternoon at Atkinson park. Both teams played good ball and were ably supported by a large crowd of rooters. The two nines will meet again Sunday next. The batteries were: Honolulu Iron Works—M. P. Rego and Joseph Santos, Catton, Neill & Co.—Paul Gregory and G. Farrell. The game was inspired by Antonio Joseph, with Kam Fat as scorer. The score, by innings was as follows: C. N. Co. 2 0 0 0 0 2 3 3—10 H. I. W. 2 0 0 8 1 0 2 0—13

FORT RUGER WRESTLER WINS FROM CHAMPION

FORT RUGER WRESTLER
Louis Aspetvedt of Fort Ruger defeated Joe Collins, champion of Fort Shafter, taking two falls out of three at the wrestling tournament staged Saturday night at Moiliili park. Collins won the first fall in three minutes while Aspetvedt took the second in eight and the third in 33 minutes.

In the other bout of the evening Hansen and Emborg went to a draw after a good exhibition of mat work. A fair sized crowd was on hand to witness the card.

BIG ENTRY LIST

One hundred and four entries have been received for the women's swimming meet to be held in the Y. M. C. A. tank Saturday night. Of this number 28 are entered for the 50-yard dash. The preliminaries will probably be held Thursday but the definite date has not yet been set.

MARRIED MEN WIN

Captained by Frank Halstead the married men trimmed the single men by a score of 28 to 31 in the team play at the Oahu Country Club links Saturday afternoon, H. H. Walker led the losers.

Owing to the fact that the single men were short of talent a number of beneficiaries had to go over to their side to even up the matches. Delegate Kalaniana'ole had to pose as a bachelor and went down against J. J. Belser. Col. C. P. Iaukea, R. Buchly and Albert Horner were other men who had to get a temporary divorce for the play.

FAMOUS FRECKLE-SKIN FIGHTER PASSES AWAY

CHICAGO, Ill., October 22.—Robert Fitzsimmons, one time heavyweight champion of the world, died here last night following an attack of pneumonia. For several days past the famous freckle-skinned fighter has been lying at death's door with little hope held out for his recovery. During recent years Fitzsimmons has spent his time on the vaudeville stage, and a few months ago went on an evangelistic tour. It was while preaching the gospel in the open that he contracted the illness which caused his death.

MAKING FINAL ARRANGEMENTS FOR HILO RACE

(Special Star-Bulletin Correspondence)
HILO, Oct. 19.—The long distance race from the Volcano to Hilo is being laid out in every detail and the committee in charge of the matter held a meeting recently at which the course and the finish of the race was discussed. The committee has decided to bring the runners in along Richardson street to Mooleau park and then make them run two or three times around the park. The number of laps to be run around the park will be announced later, as the committee has yet to ascertain the exact distance from the Volcano House to the park before deciding as to whether it will mean one, two, or three or more laps around the field to make the exact 30 miles.

Manager John Kai of the People's Garage takes Messrs. J. W. Bains and E. D. Aires in an automobile to the starting point of the race. Then the three will come over the route and, at every five mile point, will place stakes to mark the distance. These stakes will mark the starts for the different teams.

The dividing up of the five miles stretches is being done early in the game so that runners in training can have some idea of what distance they cover in their practice runs. The committee is hard at work on the final details of the race and the preparations are rapidly being completed.

Y. BASKETBALL GAMES

Two games will be played this week on the Y. M. C. A. floor. On Wednesday the Fort Kamehameha team will tackle the Grey and on Friday the Reds will meet the All-Navy team. The game Wednesday night will start at 7 o'clock on account of the All-Service swimming meet the same evening. Commencing next week double-headers will be played every Wednesday and Friday night.

ENGINEERS TRIM RUGER

The Engineers' baseball team defeated the Fort Ruger Tigers Thursday by a score of 3 to 0. Hogues' delivery was at all times up to a high standard.

Fast work on the bases, a feature being developed by the Engineers of late, helped to bring three runners safely across the plate, although the hitting was at all times smart and well placed.

KAHULUI TRIUMPHS

(Special Star-Bulletin Correspondence)
WAILUKU, Maui, Oct. 20.—Last Saturday evening the Kahului Club played the Hilo Y. M. I. at the Alexander House Settlement gymnasium in Wailuku. The game was one of the stiffest ever put up on this island and resulted in a tie, 13 to 13. The second evening's game on Monday night showed a higher score. The visiting team was pretty confident of success but the total score was 29 for the Gym team and 22 for the Y. M. I.

COMMITTEE MEETING

A special meeting of the Athletic committee will be held in the Y. M. C. A. Wednesday evening at 5 o'clock to take up the final plans for the woman's Red Cross benefit swimming meet. Duke Kahanamoku will present his ideas on the subject.

BOWLING AT Y. M. C. A.

While there will be no bowling tonight at the Y. M. C. A. the pin-smashing pastime will hold sway tomorrow, Wednesday and Thursday nights. A postponed match will fill in tomorrow night and regular scheduled games will be played on the other two nights.

WHITCOMB CALLS PRACTICE

At 4 o'clock this afternoon Dick Whitcomb will issue the suits for the Y. M. C. A. football team and a practice will probably be held shortly after at the Moiliili field. Other practices will take place Wednesday and Friday afternoons of this week, in preparation for the game with the 32nd Infantry at Schofield Barracks next Saturday.

EMMA STREETERS BEATEN

The Young Kaloko baseball team beat the Emma Street Club by a score of 5 to 3 Sunday afternoon. Silva and Mendos were the battery for the losers while Wicolia and Veira worked for the winners.

WRECKERS WRECKED IN BATTLE WITH FAST FIRST-THIRTY-SECOND SQUAD

Lester's Men Hold Big Rally in Final Frame After Wreckers' Moundman Heaves Ball Into the Wilds—Tight Game is Served Up to the Fans at Moiliili Park Sunday Afternoon

THE wonderful 25th Wreckers' baseball machine suffered their own battery to slip a monkey-wrench into the works yesterday afternoon at Moiliili Park with the result that the 1st-32nd ball team grabbed the laurel wreath and victory by a score of 7 to 4 in a tight game. The big rally came in the final frame when the 1st-32nd put four runs across and clinched the argument.

The winners opened the fray by crossing the rubber for one in the second inning. With two out Chief walked and went to third when Judd doubled to left. Mashaw's short liner to right brought Chief in.

Sewed It Up
The Wreckers came back strong in the fourth and practically sewed up the game. Hawkins and Smith singled, when Mashaw fumbled Rogan's grounder, Hawkins dusted the plate. Johnson hit safely, scoring Smith and Rogan.

Lester's squad knotted the score in the sixth, making two runs. Holcombe walked and Coyle singled. Then Chief and Judd popped out and it looked like the inning was over. But Waterhouse fumbled on Mashaw's tap and the satchels were packed. Holcombe scored when Fagin missed Buckland's grounder and Coyle followed when Waterhouse walked. Stratton. That tied it up for Maddis popped out.

Win It Again
The Wreckers again put the game on ice in their half of the sixth, making three hits and one run. After Smith flew out Rogan singled. Johnson flied to Chief and Moore singled. Goliath's short drive scored Rogan.

The big rally came in the ninth. Stratton went out on a grounder, but Maddis was safe on Moore's error. Dunlap banged the ball at Waterhouse who attempted to cut Maddis at second, but threw wild into the outer garden. Holcombe pumped a safety into right field, filling the bases. Coyle hit into Smith's hands, who shot it home, Johnson dropping the pill and letting in the tie-up run. Johnson's next two errors allowed Dunlap and Holcombe to score, and when Judd hit a two-bagger Doyle came home and the fireworks was over. The Wreckers tried hard in their half, but the try was useless.

The Heavers
"Manly" Mashaw opened the game for the winners, but was derricked in 43 minutes.

Inferior Printing and the Waste Basket

Many pieces of printed literature come to you every day that fail to interest you whatever. The waste basket is their fate. You may, or may not, be interested in what they are trying to call your attention to. But why are they chucked into the waste basket without receiving a glance from you?

The real reason is the inferior quality of the printed matter, both from a standpoint of the stock it is printed on, and the quality of the workmanship.

Pull out your own waste basket and go over its contents. You'll see that it's the letters without snap and crispness that repose there. They failed to appeal to your dignity. Their very cheapness was the executioner.

Your literature may be suffering the same fate at the hands of some other business man.

You can avoid this by having our printing department turn out your work. We put snap—the snap that gets results—into it. We can convince you.
